About MJWRT2024

MJWRT2024 is the fifth workshop on radio technology between Malaysia and Japan. The MJWRT2024 is organized by the Technical Committee on Antennas and Propagation of the Institute of Electronics, Information and Communication Engineers (IEICE/AP), the IEEE Malaysia AP/MTT/EMC Joint Chapter and the IEEE AP-S Tokyo Chapter, and co-organized by the Malaysia-Japan International Institute of Technology, Universiti Teknologi Malaysia (MJIT-UTM). This workshop is intended to provide an international forum for the exchange of information on the progress of research and development in antennas, propagation, RF and radio communication systems. It is also an important objective of this workshop to enhance the friendship between Malaysia and Japanese researchers.
